Limited Production

Candlewick 400/75N Lily Bowl in Ruby Red

The National Imperial Glass Museum
and the NIGCS Board of Trustees
announces a Limited Production...

A Candlewick 400/75N Lily Bowl in Ruby Red

Made from the Original Imperial mould, this Lily Bowl has been pressed by Mosser Glass of Cambridge, Ohio.

Each piece is marked with the Imperial Iron Cross logo and less than 80 pieces will be issued.

We urge everyone interested to place their order as soon as possible. Orders will be processed on a first come, first serve basis. Bowls will be packed and shipped within 4-6 weeks of our receipt of your order.

This beautiful lily bowl will be an excellent item to go with your Candlewick or Imperial glass collection. Each time you look at it, you will be reminded of the pride we all take in the accomplishments made by our National Imperial Glass Museum over the past years.
